CLASSICAL AUCTION No. 26

CLOSING DATE: January 27, 2025 (MONDAY)

Continuing with the source of materials that began with my prior lists, we continue with the remarkable West Coast USA collection.

With this auction, 12-inch records will be featured, mostly of FOREIGN AND IRCC AND HRS issues. Victor 'Deluxe' label releases appear frequently. I trust that you will not be disappointed!

This auction is drawn from an excellent collection assembled for over 50 years which was obtained for sale. I know that you will find many extraordinary items here.

As always, please contact me if there are any questions or points of clarification needed.

Good luck in your review and bidding!
